

Dear Sir

Sub: Revision in the User Chargers for Collection of Hazardous Wastes

We wish to inform the members that M/s Re Sustainability Ltd (Formerly Ramaky Enviro Engineers Ltd) approached us with a request for revision in the User Charges for collection of Hazardous Wastes. Members may be aware that there was no revision in charges for the last two years and they are charging the same rates prevailed as on 31.12.2023 till now.

Executive Committee of BDMAI, after a detailed consultation with M/s Re Sustainability and the industry, agreed for an increase in the User Charges for the next three years (1.1.2026 to 31.12.2028), as per the details given in the attached letter.

Members may kindly make note of the above.

Wirth regards

M.Roja Rani
