

BDMAI/APIIC/2026

25<sup>th</sup> March 2026

Sri M. Abhishikth Kishore, IAS  
Vice Chairman & Managing Director  
Andhra Pradesh Industrial Infrastructure Corporation  
Government of Andhra Pradesh  
Mangalagiri

Dear Sir,

**Sub: Request for details regarding availability of land at Orvakal, Kurnool district**

Greetings from the Bulk Drug Manufacturers Association of India (BDMAI)!

We are a national association representing manufacturers of bulk drugs across India. Our membership includes leading pharmaceutical companies such as Aurobindo Pharma, Dr. Reddy's Laboratories, Hetero Drugs, Laurus Labs, MSN Group, Natco Pharma, Lupin Limited, among others. While several large-scale industries are part of our Association, a majority of our members fall under the MSME category.

As you are aware, more than 350 bulk drug manufacturing units are located across approximately 15 industrial clusters in the State of Telangana. Most of these clusters were established over 30 years ago, and due to rapid urbanization, they are now surrounded by residential areas, limiting further expansion.

In this context, many bulk drug manufacturers are actively exploring opportunities to expand their production capacities in new locations. We understand that the Government of Andhra Pradesh, through APIIC, is allotting land to RED category industries at Orvakal, Kurnool district. Given its strategic location, this area could be highly suitable for our member industries.

In this regard, we kindly request you to provide the following details:

- a) Total extent of land available for allotment to bulk drug manufacturers
- b) Status of infrastructure development (roads, power supply, etc.); if not fully developed, details of proposed development plans
- c) Whether Environmental Clearance has been obtained for the designated RED category industrial area
- d) Tentative cost of land per acre
- e) Availability of water resources and related infrastructure

Upon receiving the above information, along with any other relevant details, we would be glad to circulate the same among our members and compile expressions of interest, including land requirements, for further discussion with your office.

Thanking you and look forward to your kind response at the earliest.

Yours sincerely,  
  
M Roja Rani  
Executive Director
