**Circular No. BDMA/063//2026**

**Date: 22<sup>nd</sup> May 2026**

**Dear Sir,**

**Sub: Global ChemShow 14-15th December 2026, Mumbai - Free Stalls for BDMAI Members**

Global ChemShow is one of the emerging Pharma and Chemical exhibitions being organized at the Bombay Exhibition Centre, Mumbai during 14–15 December 2026. As a large number of Finished Formulations manufacturers from Maharashtra and Gujarat are expected to visit the event, it would provide an excellent opportunity for manufacturers of APIs and Intermediates to promote their products by exhibiting at the show.

**To position this event as a major platform for APIs and Intermediates, the organizers are making the following special arrangements for BDMAI members:**

- **Offering 30 (thirty) fully furnished stalls of 9 sq. meters each to BDMAI members free of cost**
- **Inviting Finished Formulations manufacturers to the show as visitors**
- **Inviting overseas buyers of APIs and Intermediates**

This is the 4th edition of the event. During the previous edition of Global ChemShow, 17 (seventeen) member companies of BDMAI participated as exhibitors, and all of them expressed satisfaction with the response and arrangements made by the organizers. For more information about the event, members may visit the official website [www.globalchemshow.com](http://www.globalchemshow.com)

In view of the above, members are advised to participate in the event by utilizing the free stalls offered by the organizers. Interested members may kindly send their confirmation to [ed@bdmai.org](mailto:ed@bdmai.org) / [info@bdmai.org](mailto:info@bdmai.org). As only 30 stalls are available, allotment will be made on a first-come-first-served basis.

**With regards**

**M Roja Rani  
Executive Director**
