Allotment of land in Green Pharma City, Telangana

As members are aware, State Government of Telangana has developed a cluster 'Green Pharma City' ,. BDMAI has been pursuing with the Government to allocate some land to Members of BDMAI, particularly to those MSME members who are interested in expanding their business into manufacture of finished formulations.

We are happy to inform the members that we received a communication from the State Government that they started allocating lands to the interested entities.

Salient features of Green Pharma City are given below, for information of members:

- It is located about 25 Km from Hyderabad International Airport
- It offers seamless connectivity to key industrial clusters, including the AI Hub
- The cluster has been recognized as National Investment and Manufacturing Zone (NIMZ) by Government of India, given its national and international importance.
- Government extends support the company in obtaining necessary approvals & clearances
- The proposed activities in Green Pharma City focus exclusively on finished dosage manufacturing, R&D of biologics and biosimilars, injectables, and formulation units, strictly adhering to green category standards
- To encourage participation, the Government has introduced a subsidized price of ₹1.5 crores per acre.

For more details, members may visit their website www.lifesciences.telangana.gov.in

Members who are interested to avail this opportunity may write to us indicating their requirement to ed@bdmai.org; info@bdmai.org on or before 25th June 2025. BDMAI will compile members' requirement and submit to the Government for taking necessary action to allocate the land.

Thanking you

Yours sincerely

M Roja Rani
Executive Director
