Circular No.001/2024

Date:9th Dec 2024

Availability of QC Manpower trained in BDMA T&T Center

As members are kindly aware, in our BDMA Technology & Training Center, training of fresh candidates in QC&QA / production modules has been taking place since July 2024. So far four batches, consisting of about 30 candidates in each batch, have been successfully completed and another two batches will be completed by 1st week of January 2025.

While 50% trained candidates have already been absorbed by some of member companies, 60 candidates are available for absorption. A list of candidates available for recruitment is enclosed herewith for your reference. We shall be thankful if your HR team visits our training center and absorb the candidates suitable for QC/QA and Production. It may kindly be noted that a nominal amount of Rs.15,000/- per recruited candidate will be charged by BDMA, which is only to meet the maintenance costs of Training Center and we are sure, our members would appreciate the same.

For further details, our training center may be contacted at training@bdmai.org; Mr. Hari Prakash Reddy – Mobile: 9395581633

We also request you to inform us your monthly requirement of candidates in Production /Machine Operators / QC&QA modules, so that we will plan our training batches accordingly.

We shall be grateful if this mail is forwarded to your HR department and/ or share their contact details, so that we will be in direct with them for further correspondence.

Thanking you

Yours sincerely,

M Roja Rani
Executive Director
