Sri Nara Chandrababu Naidu
Hon'ble Chief Minister of Andhra Pradesh
1st Floor, Building No-1, Velagapudi

Respected Sir,

Sub: Request for allocation of land for Bulk Drug Industries in Kanigiri MSME Park

Greetings from the Bulk Drug Manufacturers Association of India (BDMAI)!

At the outset, we convey our heartfelt congratulations on behalf of the Bulk Drug Industry for the remarkable strides being made in the industrial development of Andhra Pradesh. We are also delighted to note that the MSME Park at Kanigiri, Prakasam District is being inaugurated on 11th November 2025 under your esteemed presence.

In this connection, we wish to bring the following points to your kind notice:

The Bulk Drug Industry has historically been given great importance and witnessed significant growth during the erstwhile unified Andhra Pradesh. The initiation of the Bulk Drug Park at Visakhapatnam during your earlier tenure as the Hon'ble Chief Minister laid the foundation for the establishment of several such parks across India.

However, despite the creation of multiple Bulk Drug Parks nationwide, MSME units in this sector continue to face serious challenges in securing land for setting up new units or expanding existing ones. This is primarily due to the exorbitant land prices in existing parks and the environmental restrictions associated with establishing units outside designated industrial zones.

In view of the above, we humbly request your good self to kindly allocate about 500–1000 acres of land exclusively for MSMEs in the Bulk Drug Industry within the proposed Kanigiri MSME Park, along with essential infrastructure such as roads, power supply, and a Common Effluent Treatment Plant (CETP) etc.

Given the excellent connectivity of this region with major roads and ports, we are confident that such an initiative will attract numerous first-generation entrepreneurs as well as existing industries eager to expand their operations.

Your kind consideration of our request will immensely benefit the Bulk Drug Industry and contribute to the overall industrial growth of the State

Thanking you,

Yours sincerely,

Dr. Ramachandra Reddy Yeluri
Joint Secretary
